Celebrating the Month of Reformation

Our namesake - Martin Luther, was a German theologian whose actions and writings sparked the Protestant Reformation, reshaping Christianity and European society.

Early Life and Education

Martin Luther was born on November 10, 1483, in Eisleben, Saxony (modern-day Germany) and grew up in Mansfeld, where his father worked in mining and smelting. He studied at a Latin school and later at the University of Erfurt, earning a master's degree in law. A near-death experience during a thunderstorm in 1505 led him to vow to become a monk, joining the Augustinian order despite his father's wishes.

The Ninety-Five Theses and the Reformation

Luther's most famous act was posting the **Ninety-Five Theses** on October 31, 1517, criticizing the Catholic Church's sale of indulgences and questioning the authority of the Pope over Scripture. This event is widely regarded as the start of the **Protestant Reformation**, which led to the formation of new Christian denominations such as Lutheranism, Calvinism, and Anglicanism. Luther emphasized that salvation comes through **God's grace alone**, not through human works or monetary payments.

Conflict with the Church

Luther's teachings brought him into direct conflict with the Catholic Church. He was excommunicated by Pope Leo X in 1521 and summoned to the **Diet of Worms**, where he famously refused to recant, declaring, "Here I stand. I can do no other. God help me. Amen". Following this, he was declared an outlaw under the **Edict of Worms**, but he continued to write and teach, protected by sympathetic princes.

Translation and Writings

While in hiding at **Wartburg Castle**, Luther translated the New Testament into German, making the Bible accessible to ordinary people and promoting literacy and personal engagement with Scripture. He also wrote numerous theological works, hymns, and pamphlets that spread rapidly thanks to the printing press which included the small and large catechisms. The small one was intended for the average German family head to teach from for children and family members. The large was designed for seminaries and universities to teach from.

Personal Life and Later Years

In 1525, Luther married **Katharina von Bora**, a former nun, which challenged clerical celibacy norms. He continued to teach, write, and influence religious and social life until his death in 1546 in Eisleben. His views on Jews evolved controversy, initially hoping for conversion but later expressing virulent anti-Semitic opinions.

Legacy

Luther's reform movement reshaped Western Christianity, emphasizing **Scripture, faith, and grace** over Church authority and ritual. It influenced political, cultural, and economic developments in Europe, including the rise of national Protestant churches and the eventual division of Western Christendom. His ideas remain central to Protestant theology and continue to impact Christian thought and European history.

Overall History

Don't think that Martin Luther was the first reformer. To the contrary. The reformation has history with various religious leaders back into the 1200's.

Pastor's Letter Continued:

Martin Luther claimed that what distinguished him from previous reformers was that while they attacked corruption in the life of the church, he went to the theological root of the problem—the perversion of the church's doctrine redemption and grace. Luther, a pastor and professor at the University of Wittenberg, deplored the entanglement of God's free gift of grace in a complex system of indulgences and good works. In his Ninety-five Theses, he attacked the indulgence system, insisting that the Pope had no authority over purgatory and that the doctrine of the merits of the saints had no foundation in the gospel. Here lay the key to Luther's concerns for the ethical and theological reform of the church: Scripture alone is authoritative, (*sola scriptura*) and justification is by faith (*sola fide*), not by works. While he did not intend to break with the Catholic church, a confrontation with the papacy was not long in coming. In 1521 Luther was excommunicated; what began as an internal reform movement had become a fracture in western Christendom.

I hope that you enjoy this bit of history of our church and its beginnings.

May the grace of the Lord Jesus Christ, the love of God, ✝ and the fellowship of the Holy Spirit be with you all. (2 Corinthians 13:14) **Amen.**

Sincerely, Pastor Augie Hohl

Discussion:

..The high quality professional cleaning of the church carpets took place the week of September 7. It took multiple days to complete the work by the contractor. The carpets had not been professionally cleaned in many years. The cleaning should extend the life of the carpets.

..Replacing the door near the elevator along with installing a "handicap accessible door and power opener" was approved by the Council. We have begun the process of signing contracts and paying deposits. Lead time is 6-7 weeks. The goal is to have the project completed before winter. Money will come from the Building and Cemetery Fund. Total cost is approximately \$16,000. The upgraded door should make the church more energy efficient and more easily accessible for those using the elevator to enter the church.

..Monarch Paving visited the church to give us a quote on paving the crushed rock area of the church parking lot. We also asked for a bid to repave the main roads at the cemetery. The bid to "patch" the parking lot is \$1,300.

..Cemetery work days in September will include professional tree trimming and removal by Shackleton Tree Service, tree replanting, brush burning, and cleaning out the cemetery maintenance building. There is much work to do.

..Illegal drug use items were discovered on the steps by the east double doors. The police were contacted and extra patrols near the church will take place. Motion sensor lights were installed to illuminate the area and hopefully stop the illegal activity on church property.

Completed:

..Nevin's reglued the carpet on the main entry steps. This was necessary to reduce a possible tripping hazard. The cost was about \$270.

..A new emergency phone system was installed in the elevator. The new phone will be 48" above the elevator floor. The change brings us into compliance with our current phone system for the church.

Tiffany Chaney Faith often leads us down paths we didn’t expect—into wilderness places, across unfamiliar lands, and through seasons of grief and hope. This three-session study takes us on a journey with Hagar, Ruth and Mary Magdalene, women whose bold faith transformed their unexpected stories. Their encounters with God remind us that we, too, are seen, sustained and sent to carry good news into the world. Session 2: Choosing loyalty, finding love Scripture: Ruth 1:1–22; 2:8–12; 4:13-17 Ruth, a Moabite widow, chooses to remain with her mother-in-law Naomi and step into an unknown future. Her bold faith is revealed in loyalty, courage and openness to God’s provision. In Ruth’s story, we see how God weaves love, community and promise through even the most uncertain paths. This session invites participants to reflect on the risks of faith, the gift of relationships and the ways God works through everyday loyalty to bring forth extraordinary love. Session 3: Proclaiming resurrection in hope Scripture: John 20:1–18 Mary Magdalene’s journey transitions from that of a grieving friend to the first preacher of the good news, after she shows up at the empty tomb and encounters the risen Jesus. Her story declares that women are entrusted to carry resurrection hope into a hurting world. This session encourages participants to recognize their own call to bear witness and to proclaim hope in Christ. +++++ MISSION FESTIVAL AND BAZAAR – NOVEMBER 7 FROM 9:00 AM-NOON! In the Bible, her life is only hinted at in chapters about her father, Jacob and his dozen sons in the Book of Genesis. Her world of ancient womanhood begins with the story of her mothers- Leah, Rachel, Zilpa and Bilhah, the 4 wives of Jacob. They love Dinah and give her gifts that will sustain her through a hard-working youth, a calling to midwifery, and a new home in a foreign land. The Red Tent combines rich storytelling with modern fiction: a new view of biblical women’s society.
