EVANGELICAL
LUTHERAN
CHURCH
IN AMERICA

Beloved brothers and sisters in Christ, last night I was sharing something with the confirmation students that I would like to mention to all of the church members. I tend to share this with lots of folks because I'm so proud of our church family. We have an amazing amount of people with so many different talents and abilities and determination. Peace Lutheran Church's work spreads out across the world, from so many local projects, through the Synod and the state and to various points in the world.

Our noisy offerings, missionary support, and regular offerings provide financial support to God's children, everywhere. Quilts, neck warmers, Lutheran World Relief, and Lutheran Social Services rely on our abundant support.

The wonderful folks who are the Faith Formation Committee always have phenomenal plans that reach out to the immediate education programs as well as making exciting plans for many months in advance. I say the same thing about our other committees too. The "Extended Family" team is always taking our work to the homes of folks who cannot make it to Sunday services and I know of folks who watch our service on their computers every Sunday. Sometimes I just smile or chuckle about the moments when they see us making little mistakes during a service and then moving along with it.

During last night's confirmation class there was also quote that we talked about. "The mark of a great church is not it's seating capacity, but it's sending capacity." (Mike Stachura) Give it a thought for a couple of minutes and I'm sure that you'll agree with me that we have a tremendous "Sending capacity" within this body of Christians. Each of you is wonderful and amazing in so many ways. I cannot thank everyone enough.

Thanksgiving is almost here and just a few days before that we have the ladies of the church giving a wonderful "ThanksOffering" church service. The work that has gone into preparing this has been an invested and interesting time, but well worth it. I hope that we have similar services in the future with the men and the Confirmands.

I wish everyone a happy and joyous month with thanks to God for all of our blessings. I look forward to seeing each of you.

Sincerely, Your Pastor - Augie

Pastor Augie reported on his upcoming knee surgery, scheduled for December 28, 2026. Council agreed that if Kalani needs assistance during his recovery period, she should email the full council, and members will help with as needed. Pastor Augie provided a daily schedule, including emergency pastoral coverage and pulpit supply arrangements. He stated that all necessary bulletins will be completed in advance. Patty and Kim will assume responsibility for confirmation classes during his absence.

Keith made a motion for a one-time exception for Pastor Augie to rollover 17 days of vacation pay for recovery. Will use all rolled over vacation days + plus his 2027 vacation days by end of December 31, 2027. Seconded by Shawn

Shawn made a motion to approve \$100 for registration for the Boundaries Training registration with the Synod for Pastor Augie to attend Nov 5th, to be paid from a salary line item in the budget. Seconded by Patty. All approved.

The council discussed the potential consolidation of budgeted line items for committees that currently maintain multiple budget categories. Anastasia reported that the final checking account for PLCW will be opened on Friday, October 23. At that time, all accounts will be established, and the transfer of accounts from Old National Bank to WESTconsin Credit Union will be nearly complete.

Pat made a motion to approve a total of \$694.16 from the noisy offering for the international donation to Father Abnu at Sacred Heart of Jesus Catholic Church in Spring Valley for the Untouchables Class. The council discussed the former kitchen and vacant office space after receiving a request from several committees to use the former kitchen for meetings. Council asks that anyone storing items in either of these rooms relocate them to their designated room or storage area so the spaces can be made available for use.

The council discussed the annual meeting, which will be held on February 7, 2027. Committees are asked to review their current budgets and discuss any anticipated changes for 2027 with their council liaison. Council will begin work on the 2027 budget at the November council meeting.

Discussion:

..Cemetery work days in October will include professional tree trimming and removal by Shackleton Tree Service. There is much work to do.

..Motion sensor lights are to be installed to illuminate the area on the back side of the church near the double entry doors. Hopefully this will stop the illegal activity on church property.

..Two cabinet estimates for \$2,400 were reviewed and approved. This recommendation will be forwarded to Council for approval. These two cabinets will be produced by Tim Frank. The cabinets will replace very old cabinets in the communion preparation room. Funding is from the Building and Cemetery Fund.

..The paving is completed at the cemetery. The next step is to place black dirt and seed along the 1,800 feet of paving. Estimates were received from four landscaping companies ranging from \$8,500 to \$18,000. Property Committee members accepted the bid from "Elite Landscaping" for \$8,500 to include black dirt placement and "Hydro-Seeding". This recommendation will be forwarded to Council for approval. Funding is from the Building and Cemetery Fund.

Completed:

..We have paid the 50% down payment required to the contractor for installing the rear door. Lead time is 6-7 weeks. The goal is to have the project completed before winter. Money will come from the Building and Cemetery Fund. Total cost is approximately \$16,000. The upgraded door should make the church more energy efficient and more easily accessible for those using the elevator to enter the church.

..Monarch Paving paved the main road in the cemetery and "patched" the parking lot. Funds came from a church member and the Building and Cemetery Fund.

..One maple tree was planted at the cemetery. This was the first tree planted to replace the 12 diseased Ash trees that were removed last year.

..The giant brush pile was burned at the cemetery. The pile needed to be burned before additional trees are removed.

..The fencing wire was removed around the entire cemetery. This was a huge project and the fence line appearance is much improved.

Tiffany Chaney Faith often leads us down paths we didn’t expect—into wilderness places, across unfamiliar lands, and through seasons of grief and hope. This three-session study takes us on a journey with Hagar, Ruth and Mary Magdalene, women whose bold faith transformed their unexpected stories. Their encounters with God remind us that we, too, are seen, sustained and sent to carry good news into the world. Session 3: Proclaiming resurrection in hope Scripture: John 20:1–18 Mary Magdalene’s journey transitions from that of a grieving friend to the first preacher of the good news, after she shows up at the empty tomb and encounters the risen Jesus. Her story declares that women are entrusted to carry resurrection hope into a hurting world. This session encourages participants to recognize their own call to bear witness and to proclaim hope in Christ. +++++ MISSION FESTIVAL AND BAZAAR – NOVEMBER 7, 9:00 AM-NOON!
